

Engineer Ty Fisher
Website Bio

Ty Fisher started his career in the fire service here at Jollyville Fire and has been here for 3 years now and has already promoted from firefighter to engineer.

In his own words, "I've been in the fire service now for three years and couldn't have made a better choice. Between running calls, training and working out, this job keeps me in shape and motivated year-round. In my free time I like to work on personal projects and increase my education every day."
